

Current special offer for AutismPro

(as at 12 February 2008)

Free trial

To receive a free 14 day trial of AutismPro, where you can set up your own child's case using all of the activities, objectives, strategies and supports available, contact a Support Coordinator by email at autismpro@aspect.org.au. You will be asked to complete a brief initial survey before your trial is activated.

Support

When using your trial, you can access extensive free support offered by Autism Spectrum Australia (Aspect), usually with the following steps:

1. Initial phone consultation with an autism early intervention specialist
2. Establish a trial account which can be easily converted to a paid subscription when the trial period ends
3. Access online or in-person training (depending on regional availability) to help you set up your child's case

As a fully paid subscriber to AutismPro, you can also access:

- Follow-up online or in-person training (again depending on regional availability) to help you get the most out of AutismPro for your child, including tailoring the program using strategies and supports
- Ongoing individual support
- Access to parent support networks

Pricing

Subscription payments, including full access to our Support Service, are made by credit card (Mastercard/Visa) or direct debit for \$110 on a month-by-month basis. A discount is available for annual upfront payments.
